

A woman with long brown hair, wearing a patterned long-sleeved shirt, is seated at a dark table, playing a Tetris game on a wooden cabinet. The cabinet has a screen displaying the game and a high score of 21610. The room is dimly lit, with a window showing green foliage and a long, thin light fixture on the wall. In the foreground, a dark railing with vertical slats is visible.

***FABRICS***

*SENSEI & SENPAI*

# CHAPELLE MORPHO

BLACKPOP

SENSEI V2F, SENPAI V2, SENPAI V3

*Chappelle Morpho is a luxury velvet fabric, that will transport you to a serene state, with its calming blues, and hints of pink and yellow. The natural look of this fabric pairs beautifully with the oak of your arcade, and when completed with vibrant buttons and joysticks colours, is a timeless choice that will bring bring a playful, yet serene look to any space.*

# FRESCO

BLACKPOP

SENSEI V2F, SENPAI V2, SENPAI V3

*The Fresco velvety cotton fabric was crafted specially for BlackPops collaboration with Sir John Soane's Museum. This collection is inspired by a reworking of the architects' drawings, paintings and objects d'art. An intricate dance of yellows, reds and hints of blue creates the mesmerizing pattern of the Fresco fabric, guaranteed to elevate your arcade.*

# WALLASEA

BLACKPOP

SENSEI V2F, SENPAI V2, SENPAI V3

*Wallasea is a truly eye-catching luxury fabric, that captures a changing of the seasons. An intricate mix of greens, blues and yellows combined with abstract patterns reminiscent of spring, Wallasea brightens any room it's in. When paired with joysticks in colours Yellow Zircon or Green Matcha, this fabric is the perfect accessory for your playful, yet timeless arcade.*

# MOULIN

BLACKPOP

SENSEI V2F, SENPAI V2, SENPAI V3

*The Moulin fabric captures the essence of timeless elegance. This velvety fabric with a deeply textured design is inspired by iconic Musical Film and the alluring underground culture of the 1920's Speakeasy. The Moulin fabric is guaranteed to elevate your luxury arcade cabinet a step further, and draw eyes for years to come.*

# DIZZY

BLACKPOP

SENSEI V2F, SENPAI V2, SENPAI V3

*Dizzy is inspired by iconography from Dutch Delft designs, brought together with playful, surprising colours, to create an abstract print that draws the viewer in. With a vibrant mix of turquoise, brown and pops of pink, this fabric compliments your arcade cabinet beautifully and brings it to life, even when not in use.*

# ARIEL DUSK

BLACKPOP

SENSEI V2F, SENPAI V2, SENPAI V3

*This mesmerising design, complete with soft shades of pink, green and pale pink paired with an abundance of birds and butterflies, brings joy and a sense of added playful elegance to any space. Ariel Dusk has the power to transform your arcade, transporting it's viewer into an almost magical realm, where fantasy merges with reality.*

# VANGUARD VIBE

BLACKPOP

SENSEI V2F, SENPAI V2, SENPAI V3

*Vanguard Vibe is a deeply textured fabric, inspired by the New York Abstract Expressionist movement of the 40's and 50's. An alluring mix of dark reds, blacks and greys, the Vanguard fabric tells a story and transports you into a darker realm. Vanguard is perfect for those who love combat games, with it's designs reminiscent of the movements of battle.*

# WALLABLU

BLACKPOP

SENSEI V2F, SENPAI V2, SENPAI V3

*Sister to the Wallasea fabric, Wallablue is complete with an exciting splash of vibrant pinks, blues and bright reds that will bring a pop of joyful colour to your space. Pair this fabric with joysticks and buttons in colour Red Diamonds and Bubble Blue, and you'll have the ultimate colour-coordinated bespoke arcade cabinet.*

# HAMPTON HEX

BLACKPOP

SENSEI V2F, SENPAI V2, SENPAI V3

*Hampton Hex takes your breath from the moment you lay eyes on it. Made especially for BlackPops collaboration with Sir John Soane's Museum, Hampton Hex is part of a collection inspired by a reworking of the architects' drawings, paintings and objects d'art. Glimpses of Renaissance style art can be seen in the Hampton Hex fabric, paired with a beautiful, neutral green and gold abstract background.*

# ROSETTA

BLACKPOP

SENSEI V2F, SENPAI V2, SENPAI V3

*Rosetta is inspired by iconography from Dutch Delft designs, brought together with a playful and surprising colour combination, to create an abstract print that draws the viewer in. A dance of oranges, reds and blues dominate this alluring fabric, which when paired with Joysticks and Buttons in colours like Orange Amber and Red Diamonds, set the scene for a bespoke arcade cabinet like no other.*

# HAMPTON GOLD

BLACKPOP

SENSEI V2F, SENPAI V2, SENPAI V3

*Hampton Gold captures a sense of royal elegance from times past. Made especially for BlackPops collaboration with Sir John Soane's Museum, Hampton Hex is part of a collection inspired by a reworking of the architects' drawings, paintings and objects d'art. Glimpses of Renaissance style art can be seen in the Hampton Gold fabric, paired with an enchanting gold background.*
